

## NEW ON-LINE SPANISH COURSES FOR FOREIGN NATIONALS

### FEATURES OF THE ON-LINE COURSE:

- The course lasts approximately 6 months from the start date.
- There are 600 places available.
- There are compulsory level and progress tests.
- You'll receive an e-mail accepting you on the course with information and access codes.
- You can access the system in any one of the 20 interface languages available.

### Advantages:

- You'll be able to access the system wherever you are, 24 hours a day, 7 days a week.
- Access from PC, mobiles and tablets.
- The course adapts to each student's own level. **You CANNOT work off-line.**
- There is a tutorial (video-virtual) for getting to know the system (in Spanish, English, French, German, Italian and Dutch).
- You'll be able to personalise your course according to your interests and your progress.
- Technical assistance in Spanish, English and French.

### REQUIREMENTS FOR ADMISSION:

- You must be a foreign national and be **registered ("empadronado")** with a town council in the province of Alicante. **Along with your registration you must submit a copy of your town council registration certificate ("certificado o volante de empadronamiento") issued by your local Town Hall** (certificates dated from January 2015 onwards will be accepted).
- You must have access to a computer with the technical requirements listed.
- You must have headphones or loudspeakers plus a microphone.
- Applicants who do not complete all fields of the registration form or who do not have the required documentation ("empadronamiento") will not be accepted.

### Because of the limited number of places available, the following are compulsory:

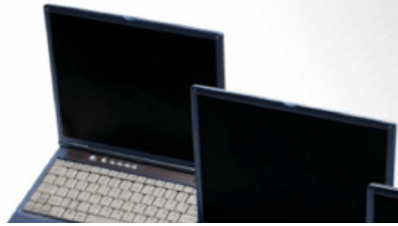

- You must do a level test during the first week after receiving the access codes. **Failure to do the test will result in you being REMOVED from the course without prior warning.**
  - \*We advise you to check your spam inbox in case our e-mails or e-mails from the company supplying the course become mislaid. To prevent your computer from handling our e-mails as spam, please add the [noreply@rosettastone.com](mailto:noreply@rosettastone.com) e-mail address to your contacts list.
- **During the first month of the course, students are required to complete at least 10 hours of coursework online.** Any students not reaching this **minimum will be REMOVED from the course without prior warning.**
- **To get your course certificate you must complete at least 50 hours of coursework** over the 6 months course duration.

### REGISTRATION:

- To register, please **send the registration form and "empadronamiento" certificate** by e-mail to: [ciudadanosextranjeros@diputacionalicante.es](mailto:ciudadanosextranjeros@diputacionalicante.es)
- Registration is **free** and will be done on a first-come first-served basis as registration forms are received.

REGISTRATION PERIOD: **open until all 600 places have been allocated.**

## Requisitos técnicos

### CONFIGURATION REQUIRED

*To use the Advantage system you must have the following:*

- *The ability to download SWF files for storage in the browser cache at execution time.*
- *Flash Video via IP*

#### Computer:

- Minimum 1.5 GHz processor
